Our Comprehensive Product Range

Explore our extensive technical specifications for Bottle Preforms, Jar Preforms,
and Specialty Films below.

What We Do

We manufacture high-precision PET preforms and multilayer films used in bottled packaging, shrink packaging, and flexible pouches.

Serving North and Central India, we combine consistent product quality, scalable manufacturing capacity, and reliable logistics to support our clients' packaging needs.

Core Capabilities

- ✓ **PET Preforms:** Lightweight, dimensionally accurate, customizable neck Anishes.
- ✓ **At 10+ machine:** Advanced Injection Moulding
- ✓ **Multilayer Films:** 2 extrusion lines for barrier, shrink, and customized Film structures.

Why Choose Gajanan Polyplast?

-  Premium quality standards, tested and traceable
-  Zero compromise on product integrity
-  Trusted regional leader with deep know-how
-  Large capacity & bulk supply capability
-  Competitive & transparent pricing
-  On-time delivery & reliable customer support
